So far we have only been able to secure reliable data of the above orchards. These we believe represent but a small part of the total acreage of Barry county.

We urge all growers whose names do not appear in the above list to send in at once the following information concerning their orchards: Kinds and varieties of fruit, distance apart and age of trees. This will enable us to secure a complete census of the orcharding interests of the county, and will give it a fair representation in our published report which we hope to have in the near future.

Over near Leann is a young lad who had an ear for music. The household cat climbed into his lap one evening and began its contented purring. The little lad listened for a moment or two then remarked to his mother that pussy was singing "Casey Jones."

STONES PRAIRIE

Well, say! We have been having some extreme cold weather but Neighbor hasn't frozen yet if they have been silent.

We have colds, is the complaint in this neighborhood.

Uncle Marshall Carlin is much better. He has been suffering with the grip the past week.

The singing school at New Site was dismissed on account of bad weather, but will begin soon if favorable.

Rev. Luther Carlin and family, of Granby, visited relatives near New Site, last week.

Bro. Brown filled his regular appointment at New Site Sunday by delivering a grand sermon both morning and evening.

We were sorry to hear of the death of Miss Eula Rumbaugh, who died at her home near Bethel church. The body was taken to New Site where the funeral services were conducted by Rev. Luther Carlin, after which the remains were laid to rest in New Site cemetery. She leaves a mother and grandfather to mourn her loss. We know 'tis hard for the mother to be consoled. The most consoling thought is Eula said she was going over home. If we have to part with our loved ones 'tis good to know they have gone to rest.

J. J. Edens' residence caught fire Thursday while he and Mrs. Edens were at the dinner table. Mr. Edens had built up the fire in the sitting room just before he went into the dining room to eat dinner. Soon they heard a roaring and found that it was the house on fire, having caught from the stove pipe in the sitting room. The interior of four rooms household furniture, carpets etc., were badly damaged. The fire was put out by good work before it became necessary to turn the city water on with the hose.

OLD SETTLER DEAD

Wm. Lipe, grandfather of W. H. Lipe of this city, died at an early hour Wednesday morning at the home of his grandson, Geo. Lipe, near McDowell, at the age of 92 years. He had lived for several years with W. H. Lipe in this city. The funeral services were held Wednesday afternoon and interment was made in the Arnhart cemetery. He had lived in Barry County since 1869, and has one son living, Joseph Lipe, who resides east of Purdy.

W. H. Lipe and two sons attended the funeral.

NAME IT, IF YOU CAN

At Bare Brothers' meat market on Main street, there is a queer looking little animal that is attracting attention.

In "face and form" the animal is a rabbit, but covering the usual coat of hair is a heavy coat of wool, measuring about two inches.

The rabbit was captured last Friday by a Swede at Grand View, and brought to Eureka Springs today by Tom Wright. The color of the little creature is like a Maltese cat, and anything fed to rabbits seems acceptable to this strange freak of nature.

Those who have seen it say this is the only one of its kind, so far as their experience goes.—Eureka Springs Echo.

Perez Park, No. 416 Byers Avenue departed Tuesday night for Vicksburg, Miss., to visit his mother, Mrs. Laura Falk, who is visiting her daughter, Mrs. Hirsch, in Joplin Globe.

SUES FOR \$75,000

J. H. McQuary of Monett has filed suit with circuit clerk W. R. Hale against the Missouri Land Company of Scotland (Limited) and W. H. Vincent asking \$75,000 in damages for slander.

The petition alleges that W. A. Vincent, who is chief counsel for the land company, in the presence of other persons stated that McQuary had served a term in the penitentiary and that McQuary was a thief and that he could prove it. This forms the basis of the suit. For the alleged utterance of these words the plaintiff charges slander and asks damage in the amount of \$75,000.

The filing of this suit for damage by McQuary is an outgrowth of the long litigation between McQuary and the land company over title to the land in Barry county which McQuary claims to have purchased from the company, and the title to which after it had been carried through the courts was left in the land company. McQuary's attorneys are Mayhew, Sater & Gardner.—Cassville Republican.

Mrs. J. H. Wormington has been suffering from a scalded hand the past week. The water in a tank in her milk room froze over and thinking to thaw it quickly, Mrs. Wormington took a hot iron and set it on the ice. The resulting steam scalded her hand severely before she could let go the iron. The burn was very painful, but is much better now.

Mr. and Mrs. O. H. Lane, of Joplin, are visiting in Monett.

A HAPPY SURPRISE

The members of Golden Rod Sunshine Society met and very pleasantly surprised Mrs. W. H. Such, Monday afternoon by giving her a linen shower.

About fifteen of the members met at Mrs. A. Pettefer's home and marched in a body to the home of Mrs. Such, who was indeed taken by surprise. The ladies took with them their fancy work and while some kept Mrs. Such entertained in the parlor, others took possession of the kitchen and proceeded to prepare lunch consisting of fruit salad, whipped cream, cake and coffee.

It was an occasion long to be remembered as one of the most pleasant meetings ever enjoyed by the club.

The following club members were present:—Mesdames Chas. Copeland, Chas. Frear, Chas. Ring, W. T. Dailey, J. J. Davis, S. A. Chapell, Jas. Mansfield, Ida Collocott, A. Pettefer, Fred Shaffer, Gabriel, P. C. Callaway, Chas. Johnston and J. B. Kirkpatrick.

DIED

Tabitha Oney, mother of Jack Oney, died Thursday morning of heart disease. She was 64 years of age.

Funeral services will be held at the home on East Broadway Friday afternoon at 2 o'clock. Interment will be made in Odd Fellows cemetery.

Mrs. Oney was a very large woman, weighing nearly 300 pounds.

We desire to thank our friends and neighbors for their kindness during the sickness and death of our dear husband and father, also for the many flowers.
